

In addition to it, Central assistance was also provided for supply of small bags under the scheme entitled National project on Development of Fertilizer Use in Low Consumption and Rainfed Areas. Balanced fertilisation including micro nutrient was promoted by implementation of the scheme on Balanced and Integrated Use of Fertilizers.

(c) and (d) It is proposed to continue the scheme of concession on sale of phosphatic and potassic fertilizers for which an outlay of Rs. 2000 crores has been made during 1997-98. Under this scheme, extra cost of transportation of decontrolled fertilizers in some areas in J & K and North Eastern States including Sikkim will be met during 1997-98. The scheme on buffer stocking is also proposed to be taken up for increasing fertilizer use in low consumption potential areas.
